1. The Department of Education (DepEd) through the Curriculum and Implementation Division (CID) announces the conduct of the **Division Science and Technology Fair (DSTF) 2022, with the theme "Expanding the Horizon: Futures of STEM "** on June 14, 2022 at 8 a.m. – 4 p.m. via Google meet at meet.google.com/zgd-xhak-sjq
2. Division screening and evaluation process of the submitted entries shall be held on June 10, 2022 via online platform. The Division Screening Committee will determine the qualified entries which shall be posted in our official FB Page and group chats and eligible to participate in the Division Science and Technology Fair (DSTF) 2022.
3. This year's Division Science and Technology Fair (DSTF) is anchored on the aims of the National Science and Technology Fair (NSTF) which are to:
 - 3.1 empower the youth and cultivate innovation, and creativity amid the changing world; and
 - 3.2 showcase the competence of the learners in addressing community problems for sustainable development and maximizes their potential of being inquisitive and creative in dealing with real-life problems.
4. The virtual DSTF will banner the three (3) major events and competitions. The champions in each category will represent the division in the virtual Regional Science and Technology Fair on July 1, 2022. The division contest includes the following categories:
 - a. **SIYENSIKULA** - an original video creation competition open to Junior and Senior High School learners
 - b. **LIKHA** - a Research Proposal Competition for Grade 9 -12 research enthusiasts
 - c. **#STEMTokperiments** - a Tiktok Science Experiment Competition for Junior and Senior High School learners
5. Awarding of winners in different categories and top performing schools shall be done via online platform on June 29, 2022. The learner, teacher - coach, and the Department Head/Area Chair shall receive certificate of recognition and certificate of participation for non-winning entries.
